

THE ANNUAL DAHBASHI GROUP DINNER !

The traditional **Annual DAHBASHI Dinner** is always one of the most awaited events by every member of the DE family. It not only provides a wonderful opportunity for the old-timers to take

off from where they left the last time but also to meet the new entrants in the family from various departments and branches.

This time too we spent an informal and pleasant time with the owners, managers, department heads, colleagues and a few special guests in a relaxed atmosphere at the Palm Gardens in the Park Hyatt Dubai. Green is such a soothing colour; it was in full attendance all around the garden, providing a fitting backdrop to the proceedings of the evening.

Mr. Ahmed started the proceedings with a short but enthusiastic speech during which he shared the Group's achievements in the year 2014, enumerated the goals for 2015 along with the challenges that lay ahead. He pointed out that the move to the new facility in Dubai Industrial City during the 1st. quarter of 2015 would not be bereft of its own challenges that would require a fair amount of adjustment on everyone's part, demanding greater understanding and co-operation between people, departments, branches and head office operations. He briefly touched on the opening of the Jeddah Branch in early 2015 as well.

As is customary over the past few years, we again used the annual dinner as a fitting occasion to give away the company's in-house **Cricket and Table Tennis Tournament** trophies, cups and prize money. At last the moment everyone was waiting for with bated breath arrived.....it was time for the sports presentations !

The prizes were given away by **Mr. Dabhashi**, ably supported by **Mr. Ahmed**. Heartiest congratulations to all the winners, runners-up and individual prize winners; there were some scintillating performances on offer during the course of the tournaments.

With the completion of the awards ceremony, everyone got down to the serious task of devouring delectable delicacies ! There was a huge variety on offer, each dish cooked with loving care and tastefully presented.

Kudos to the chef and another feather in Ms. Farida Ahmed's cap for selecting the venue and carefully going over the details with the hotel to ensure that the evening was nothing but a resounding success.
